

Declaration of Sovereignty

Date: 2025/05/25

To be signed in your own hand before two witnesses or a notary (if desired).

I, Your Given Name: of the family, a living soul, born as man/woman on the land, do hereby declare before Heaven and Earth:

1. I am alive, conscious, and of sound mind, not lost at sea, not a decedent, not a ward of the state.
2. I am not a CORPORATE fiction, not the legal entity styled in ALL CAPITAL LETTERS (e.g. JOHN DOE). That name is a construct created without my knowing consent.
3. I am a living man/woman, created in the image of the Most High, and I stand under Divine Law and Natural Law.
4. I do not consent to the presumption that I am a debtor, surety, vessel or trustee of any public trust or estate created in my name without full disclosure or agreement.
5. I reclaim all rights, titles, and interests to my name, estate, body, labor and soul — past, present and future.
6. I serve only the Living kingdom of Heaven, and I reject all false gods, idols, and thrones that attempt to rule through deception or force.
7. I reserve all rights, including but not limited to those secured by Divine Law, common law and any sacred covenant recognized under heaven.

Signed & Sealed, Baron David of the House Ward, Sui Juris - Having the right and the capability to manage one's own affairs. All Rights Reserved, Without Prejudice, UCC 1-308.
